**JOINTLY STIPULATED REQUEST BY  
ALL PARTIES FOR ORDER CHANGING  
TIME AND [PROPOSED] ORDER**

No Hearing Required

Date Submitted: December 8, 2008

Judge: The Honorable Samuel Conti

1 Plaintiff UNITED STATES SMALL BUSINESS ADMINISTRATION (“SBA”), in its capacity  
2 as Receiver for ALTO TECH II, L.P., and Defendants GLORIA C. WAHL, WALTER LEE, and  
3 THANOS TRIANT, hereby stipulate and respectfully request that the pretrial conference currently set  
4 for Friday, January 9, 2009 at 10:00 a.m. and the trial date of Tuesday, January 20, 2009 be continued  
5 pending the Court’s determination of the pending Motions for Summary Judgment.

6 In support of this stipulation and joint motion, the Parties state as follows:

7 1. The pretrial conference is currently set for January 9, 2009 at 10:00 a.m.  
8 2. The trial date is currently set for January 20, 2009.  
9 3. The parties have each submitted detailed motions for summary judgment (including Rule  
10 56(f) requests) seeking summary judgment on some or all of the claims. The hearing on the summary  
11 judgment motions was originally set for December 5, 2008.

12 4. On December 2, 2008, the parties were informed by the Court that the December 5, 2008  
13 hearing on the summary judgment motions was being vacated and that the Court would deem the  
14 motions submitted and the Court would rule on the written submissions. All parties agree that the  
15 summary judgment motions raise important questions of law for the Court’s determination and the  
16 Court’s ruling on the motions will have an important impact on the precise scope of triable issues and  
17 will likely simplify and clarify the scope of what remains to be tried before the requested jury.

18 5. On November 10, 2008, the Court issued its Order re: Jury Trial Preparation for Judge  
19 Samuel Conti. The November 10, 2008 pretrial order directs the parties to prepare, *inter alia*, a joint  
20 agreed upon, brief statement of the case, proposed *voir dire* questions, trial briefs, list of exhibits and  
21 exhibit binders, list of witnesses (including statement of the content of witnesses’ testimony, deposition  
22 designations, joint jury instructions, proposed verdict form, and motions in limine. The deadline for  
23 these pretrial pleadings and documents is as early as December 30, 2008 for motions *in limine* and by  
24 the January 9, 2009 pretrial conference hearing for the remainder of the filings.

25 6. The pending motions for summary judgment may dispose of some or all of the claims at  
26 issue in this case and/or narrow the scope of the claims at issue for trial. Moreover, preparing for trial,  
27 including preparing the pretrial pleadings and documents, will be both time-consuming and impose a  
28 substantial financial burden on the parties, especially the defendants who are individuals and not

1 corporate entities. For these reasons and for the sake of economy and efficiency in accordance with  
2 Rule 1 of the Federal Rules of Civil Procedure and the Local Rules of this Court, the parties jointly  
3 agree and hereby request that the pretrial hearing and the trial date should be continued until after the  
4 motions for summary judgment have been decided and the parties can better gauge what issues and  
5 claims remains to be tried.

6 7. Accordingly, the parties respectfully request a continuance of the pretrial conference date  
7 of January 9, 2009 and the trial date of January 20, 2009. The parties respectfully request that the Court  
8 set a status conference for a date in early 2009 after the ruling on the motions for summary judgment at  
9 which time the Court can reset the pretrial conference date and the trial date.

10 8. The parties have agreed to meet and confer in person following the Court's ruling on the  
11 cross-motions for summary judgment and to seek to use said decision to reduce the number of trial days  
12 in this case, to clarify the exhibits, deposition testimony and other evidence to be admitted by stipulation  
13 in this case, and to otherwise engage in a meaningful discussion with the view of lowering the overall  
14 costs, expenses, and time consumption involved in this case in accordance with Rule 1 of the Federal  
15 Rules of Civil Procedure and the Local Rules of this Court.

16 9. Pursuant to Local Rules 6-2, this Stipulated Request is accompanied by the Declaration  
17 of Chung-Han Lee filed concurrently hereto.

18 10. The parties note that no previous time modifications have been requested or made in this  
19 case.
